

Islamic Republic of Afghanistan Ministry of Education General Directorate of Planning and Evaluation Directorate of Strategic Monitoring and Evaluation Department of Statistic Analysis and Information School Census (General Education) Form – Year 1398

Section one: General and school infrastructure related Information

Section two: Information about school equipment

Section three: Students' previous year results (Existing at the school, Community Based Education, accelerated, appendage and night shift classes)

Section four: Schools current year statistics (Existing at the school, , accelerated, appendage and night shift classes)

Section five: Statistics of staff (teachers, employees and contractual employees) Segregated by gender and field of study (Existing at the school, Local, accelerated, appendage and night shift classes)

Section six: Information about textbooks

Section seven: Information about CBE, accelerated, appendage and night shift classes)

Section Eight: Information about school council, and the minimum standards for Educational services.

Verification and approval of Information and Statistics:

) pages of statistical form were accurately filled out as per the available teaching and administrative documents and given instructions. If the A: I acknowledge that (stipulated figures/statistics in the form are incorrect and not corresponding with the documents, I will be held accountable and would have no right to complain.

B: Members of the district Monitoring Department, Monitoring Director, and District Education Director are responsible for checking, verification and approval of the statistics and need to ensure the correctness of the information prior to signing the form. If there be any errors in the form following signing it, they will be held accountable and then would have no right to complain.

C: The data entry staff is responsible for entering the correct figures according to the form, if there be any discrepancies in the entered data, they would be held accountable and subject to retribution and would have no right to complain.

D: The filled-out form would be invalid unless full details and contact numbers of the relevant officials, form submission date to the school, form receipt date from the school are inserted, signed and stamped by the respective departments' relevant officials.
